

Statistics on financial transactions reports received by the SFMS during the 4th quarter of 2022

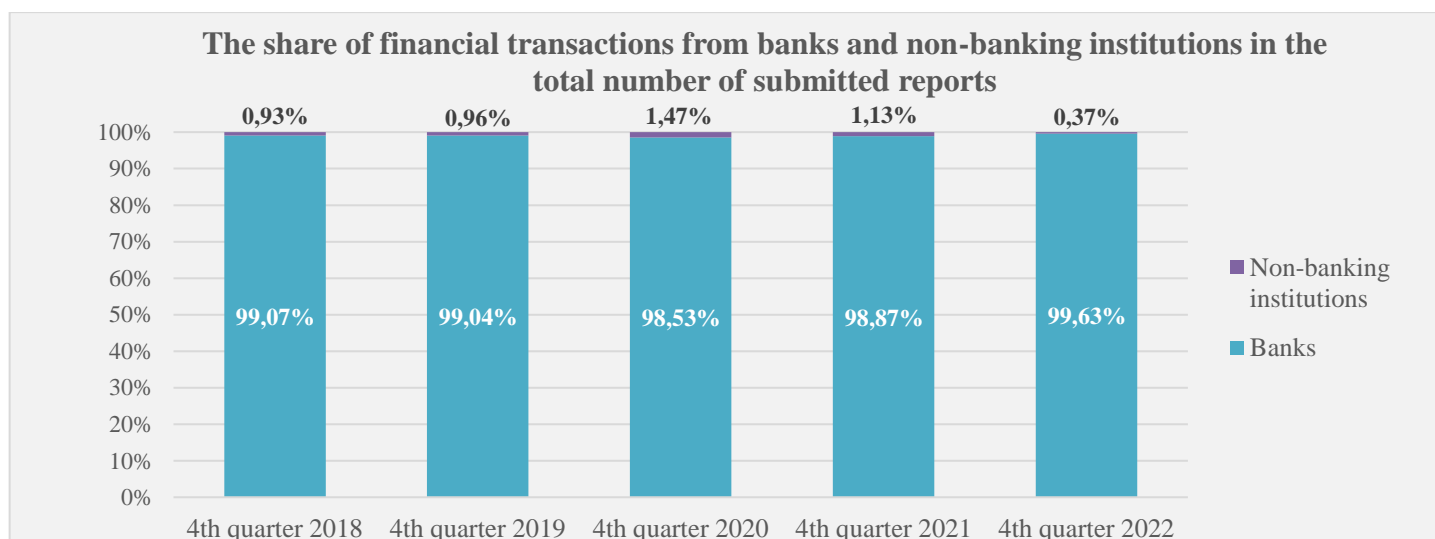

During the 4th quarter of 2022, the SFMS received and processed 326 729 reports on financial transactions subject to financial monitoring.

It should be noted that during the 4th quarter of 2022, the number of financial transactions reports received by the SFMS decreased by 30,70 % compared to the same period of the last year due to the martial law in Ukraine introduced according to the Decree of the President of Ukraine of 24 February 2022 No. 64/2022 “On Introduction of Martial Law in Ukraine” (with amendments).

The most active in the reporting system, in the context of reporting entities, are banks that send the majority of reports on financial transactions subject to financial monitoring.

During the 4th quarter of 2022, the SFMS received from banks 99,63 % of the total amount of financial transaction reports.

Also, it should be noted that the share of errors in the reports is only 0,06 % of the total amount of the financial transactions reports which the SFMS obtained during the 4th quarter of 2022.

Thus, the percentage of the financial transactions reports submitted correctly by the reporting entities to the SFMS, is 99,94 % of the total number of reports.

The number of the reports registered by the SFMS during the 4th quarter of 2022, submitted by banks and non-banking institutions, in terms of types of submitting
