

Statistics on financial transactions reports received by the SFMS during the 1st quarter of 2022

During the 1st quarter of 2022, the SFMS received and processed 319 027 financial transactions reports subject to financial monitoring.

It should be noted that during the 1st quarter of 2022, the number of financial transactions reports received by the SFMS decreased by 8,11% compared to the same period of the last year due to the martial law in Ukraine that introduced according to the Decree of the President of Ukraine of 24.02.2022 No. 64/2022 “On introduction of martial law in Ukraine” (with amendments).

The most active in the reporting system, in the context of reporting entities, are banks that send a majority part of financial transactions reports subject to financial monitoring.

During the 1st quarter of 2022, the SFMS received from banks 99,23% of the total amount of financial transaction reports.

Also, it should be noted that the share of the errors in the reports is only 0,11% of the total amount of the financial transactions reports received by the SFMS during the 1st quarter of 2022.

Thus, the percentage of the financial transactions reports submitted correctly by the reporting entities to the SFMS, is 99,89% of the total number of reports.
