

Statistics on financial transactions reports received by the SFMS during the 3rd quarter of 2022

During the 3rd quarter of 2022, the SFMS received and processed 308 614 reports on financial transactions subject to financial monitoring.

It should be noted that during the 3rd quarter of 2022, the number of financial transactions reports received by the SFMS decreased by 30,85 % compared to the same period of the last year due to the martial law in Ukraine introduced according to Decree of the President of Ukraine of 24 February 2022 No. 64/2022 “On Introduction of Martial Law in Ukraine” (with amendments).

The most active in the reporting system, in the context of reporting entities, are the banks that send the majority of reports on financial transactions subject to financial monitoring.

During the 3rd quarter of 2022, the SFMS received from the banks 99,58 % of the total amount of financial transaction reports.

Also, it should be noted that the share of errors in the reports is only 0,09 % of the total amount of the financial transactions reports which the SFMS obtained during the 3rd quarter of 2022.

Thus, the percentage of the financial transactions reports submitted correctly by the reporting entities to the SFMS, is 99,91 % of the total number of reports.
