

Statistics on financial transactions reports received by the SFMS during the third quarter of 2020

During the third quarter of 2020, the SFMS received and processed 381 533 financial transactions reports subject to financial monitoring.

It should be noted that during the third quarter of 2020, the number of financial transactions reports received by the SFMS decreased by 87,44 % compared to the same period of the last year, due to the entry into force of the Law of Ukraine «On Preventing and Counteracting to Legalization (Laundering) of the Proceeds from Crime, Financing of Terrorism and Financing of Proliferation of Weapons of Mass Destruction» (dated 06.12.2019 No. 361-IX).

The most active in the reporting system, in the context of reporting entities, are banks that send a majority part of transactions reports subject to financial monitoring.

During the third quarter of 2020, the SFMS received from banks 98,17 % of the total amount of financial transaction reports.

Also, it should be noted that the share of the mistakes in the reports is only 0,09 % of the total amount of financial transactions reports received by the SFMS during the third quarter of 2020.

Thus, the percentage of financial transactions reports submitted by the reporting entities to the SFMS correctly is 99,91% of the total number of reports.

Number of the reports registered by the SFMS during the third quarter of 2020, submitted by banks and non-banking institutions, in terms of types of submitting

The type of institution	Number of reports in electronic form	Number of reports in paper form
